

## SeeQC-eu, Hypres Quantum Engineering Company in Europe

is happy to open a laboratory at Federico II University of Naples devoted to the development of superconducting circuits for quantum information processing

- **Students, postdocs, professors are invited to attend a seminar**
  - ▶ Introduction to SeeQC and HYPRES (O. Mukhanov, CTO)
  - ▶ Tutorial on superconducting integrated circuit design tools (A. Kirichenko, Principal Circuit Designer).
- **Luogo: Aula Softel, 1° Piano Palazzina 3A, Via Claudio**
- **Data: Martedì 30 Gennaio 2018, 15:00**
